

2024 BEST ANNUAL REPORTS AWARDS

Seminar on “The journey towards Best ESG Reporting”

Thursday, 20 June 2024

The Best Annual Reports Awards is an annual competition organized by The Hong Kong Management Association since 1973. The purpose of the Awards is to encourage the publication of timely, accurate, informative and well-presented annual reports for shareholders, stakeholders, employees and others who may have an interest in the performance and activities of the organizations in question and to recognize and honour the organizations for their exemplary achievement in producing such reports.

Environmental, Social and Governance (ESG) has gone from being a “nice-to-have” to a “must-have” in business community. The growing importance of ESG reporting reflects management strength and engenders investor confidence in the long term prospects of the company. To encourage companies to showcase their high standards of ESG reporting practices in Hong Kong, the Special Awards for ESG Reporting were launched in 2021. In this seminar, winners of 2023 ESG Reporting Awards, representatives from HKEX and ACCA Hong Kong will share with us the tips of preparing a winning ESG report, the latest disclosure requirements of the Listing Rules and new perspectives in ESG reporting.
