- 7.3 How do you encourage innovation (e.g., practices that create an environment that supports innovation)?
- 7.4 How do you decide which innovation opportunities to pursue and which to discontinue?

8. Community Relationships

Note: "Community" refers to entities that provide or receive support during disruptions, not limited to your local area. These strategic relationships offer assistance and information during times of need and growth.

Examples include utilities, government, financial institutions, volunteers, chambers of commerce, nearby businesses, social services, stakeholders, and industry associations.

- 8.1 What are your key processes for building relationships with your key community partners?
- 8.2 For each key community relationship, provide the following:
- a. the organization or group type (see list above)
 - b. the frequency of engagement (e.g., monthly, quarterly, annually, etc)
 - c. the length of engagement (e.g., how long have you had this relationship)

The assessment questions are developed based on the 2025 Baldrige Award Criteria. Baldrige Performance Excellence Program.
